

Paros - Drios, semi-completed building of 390m2 in the centre of Drios

780.000€

Code: 10214

- Semi-completed building of 390m2, built in 807m2 block of land, inside the traditional settlement of Drios.
- Built in a corner block and located only steps away from the shops, the bus stop and the beach.
- Currently fashioned in: One ground floor store of 117m2, which can be converted in a 3 bedroom apartment.
- One ground floor apartment of 117m2, with 3 bedrooms, 2 bathrooms, living room and kitchen
- and one 1st floor apartment of 155m2, with 4 bedrooms, bathroom, WC, guest room with its own bathroom, living room and kitchen.
- There is also a basement storage area of 30m2.
- The building was destined to be a motel of 14 fully equipped apartments and carried 3rd class permit from the Greek Tourist Organisation which expired in 2002 (can be renewed).
- Currently is completed up to the stage of internal rendering and floor coverings.
- A property with great location, only steps from the best beaches of the island and with great sea views.
- The potential exists to purchase individual semi-completed apartments.
