

Stone built very well presented home with 3 bedrooms and an independent guest house

1.400€

Code: 10433

Stone built very well presented home of excellent construction, with 3 bedrooms and an independent guest house, available to rent for very comfortable and relaxed vacations.

The house is located just 100 meters from the beach of Big Santa Maria and approximately 350 meters from Laggeri Beach.

It consists of:

1. Main house of approximately 175m2 in 3 levels with:

Ground level consisting of living area, kitchen, dining and WC

Upper level with one bedroom and bathroom

Basement area (very bright) with 2 bedrooms, one bathroom and storage/laundry room.

2. Independent guest house approximately 35m2

The guest house offers one open plan area with a small kitchenette and offers 2 single beds

joined into a kings size bed.

The house is offered fully equipped with built-in kitchen and electrical appliances of high quality as well as built in wardrobes.

3. External areas

There is an approximately 1200m2 garden with grassed area and fully landscaped with

ornamental plants.

This impressive house is offered to you for rent on a monthly basis during the summer months.
