

Unfinished detached house of 161 m2 with panoramic views towards the Southwestern cost of Antiparos (SOLD)

450.000€

Code: 10640

Unfinished detached house of 161 m2 built on a hillside with breathtaking views towards the Southwestern cost, the neighbouring island of Antiparos and the tranquil surrounding country side.

The stone built building has been completed up to the stage of rendering and is designed for a 3-bedroom, 2-storey house with an extra independent guest-house, spacious living areas offering an open plan formal living room, kitchen / dining area, an extra room on first level which one can use according to their needs and a storage/engine room.

Built on an independent land parcel of 4263 m2 which has been issued with a building permit for another 87m2 house as well as a swimming pool. It is worth mentioning that the building permit has been declared valid for life...

Located at a tranquil spot on the hillside with uninterrupted panoramic sea views. Just minutes from the pictorial little bay of Alyki village, as well as from some of the most beautiful sandy beaches of the island.

A property with great potential that should be seriously considered!!!
